2025-2026 REPUBLIC BRANDS® TRAVEL PROGRAM

ELIGIBILITY

1 Program Dates are 12/1/2024–9/12/2025. A completed registration card must be submitted by 2/28/2025 to earn travel points and qualify for travel rewards.

2 Only operating owners, sales managers, or tobacco category buyers who are responsible for the purchasing and promotional decisions of Republic Brands products and a guest will be eligible to travel if a reward is earned. No other roles within the company are eligible to travel. All travelers must be over the age of 21 at the time of travel.

3 The registered account must be an active direct-buying customer at the time of travel or the travel reward will be forfeited.

4 Transhippers (to Republic Brands direct customers), manufacturers, or manufacturer affiliates/agents are not eligible to participate in this program.

5 Travel rewards and prizes are subject to forfeiture at any time if customer is not in compliance with or violates applicable laws or Republic Brands' policies and rules.

6 Travel reward winners will receive traveler registration forms via email link at the conclusion of the program. Registration must be completed by 10/10/2025 or the reward will be subject to forfeiture.

7 Valid passports are required for all trips. All travel must originate from and terminate within the United States.

RULES AND REGULATIONS

A A maximum of 1,100,000 travel points are allowed per customer's warehouse location.

B Registration and bonus points are non-transferable.

C Free goods, purchases redeemed for premium prizes, and certain promotional goods do not earn travel points.

D Any travel points earned on goods later returned will be deducted from a customer's point total. If a customer's return results in a point total below the level required for the reward taken, then the cost of the reward in full will be billable to their account. If prior to travel a customer's return results in a point reduction that lowers their point total below a reward level, then the customer is disqualified from the higher level reward and is liable for any cancellation penalties incurred, but remains eligible for lower level rewards earned.

E Destinations, resorts, amenities, and dates are subject to change. Travel rewards include economy airfare, accommodations, some meals, and special events for two qualifying adults.

F Travel rewards or any unused portions are not exchangeable, transferable, or redeemable for cash, credit, travel, or merchandise. No substitutions are permitted.

G Upgraded rooms are subject to availability. Alternatively, at our option, Republic Brands can substitute a hotel credit.

H Any monetary penalties or fees resulting from a name change or flight itinerary change initiated by a customer will be the sole responsibility of the customer.

I Prizes may be considered taxable and are the recipient's responsibility to report as required.
